"imagine"
1972 senior class song

Imagine there's no heaven

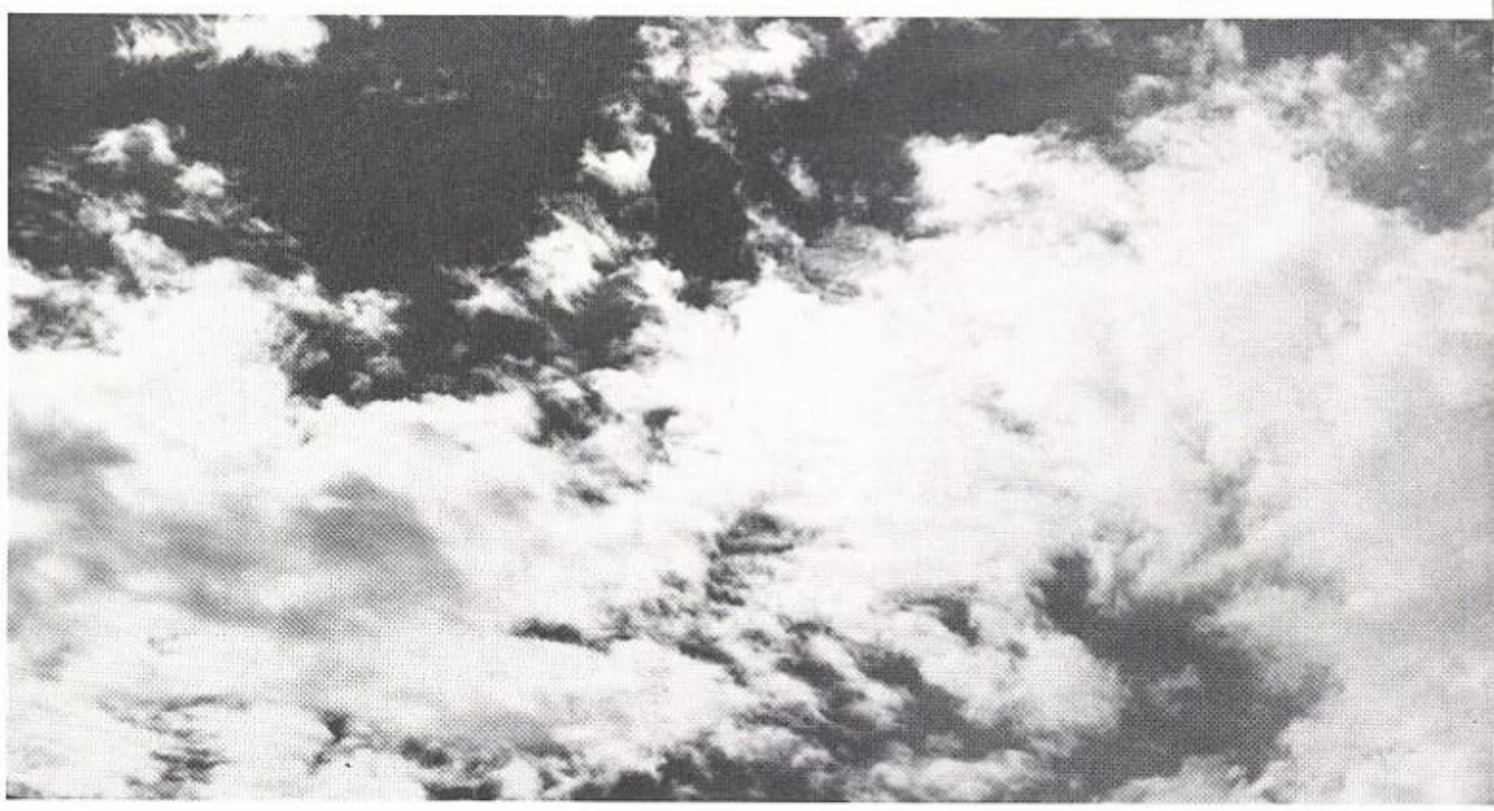
It's easy if you try

No hell below us

Above us only sky

Imagine all the people

Living for today . . .



Imagine there's no countries

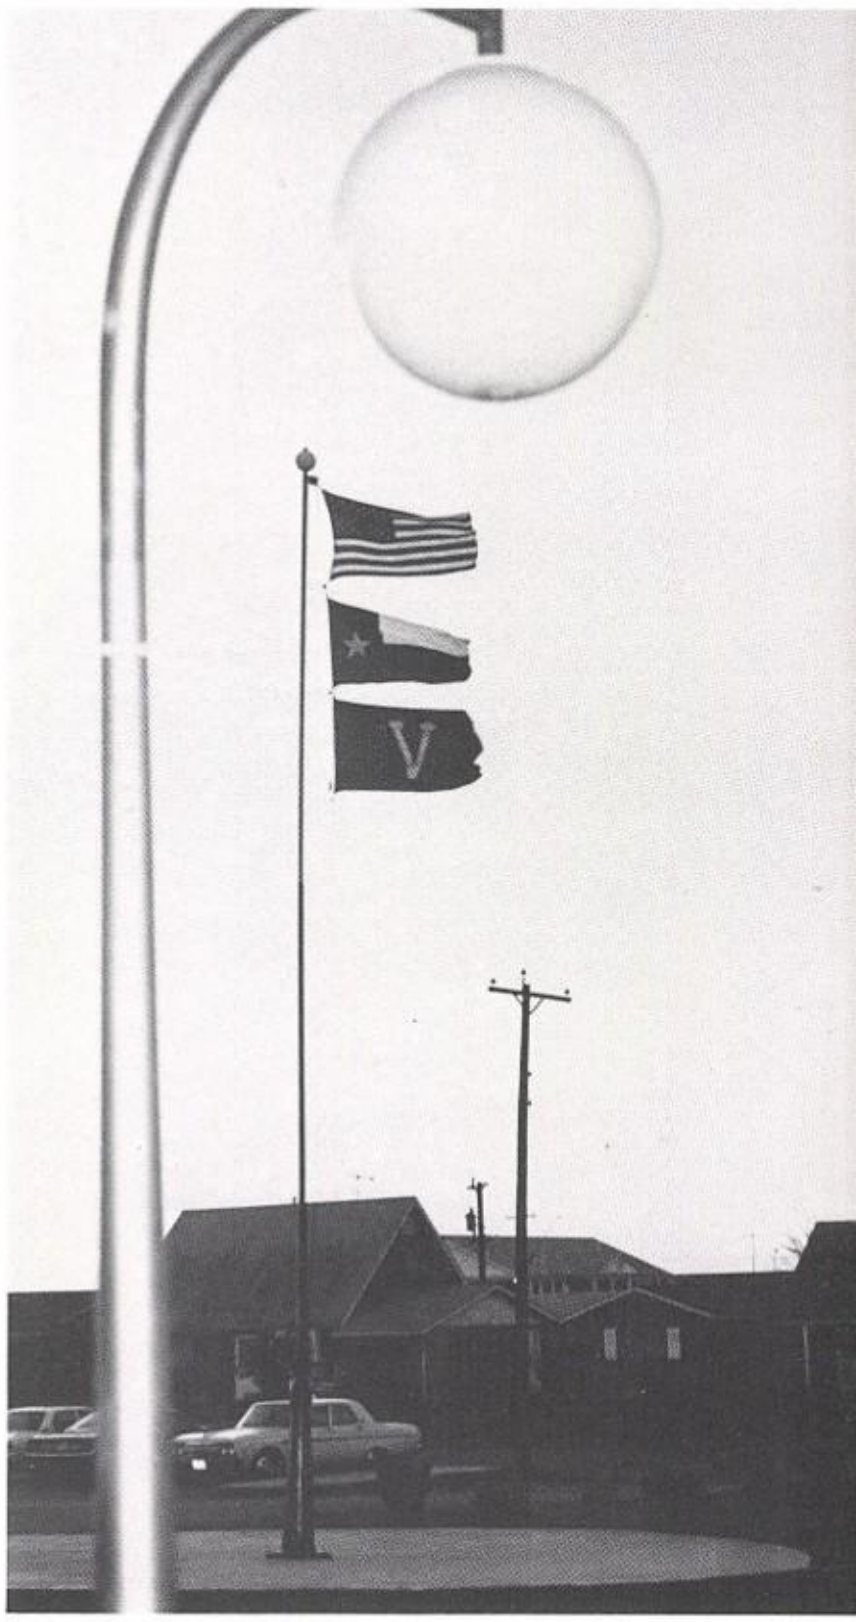
It isn't hard to do

Nothing to kill or die for

And no religion, too

Imagine all the people

Living life in peace . . .



You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one

Imagine no possessions

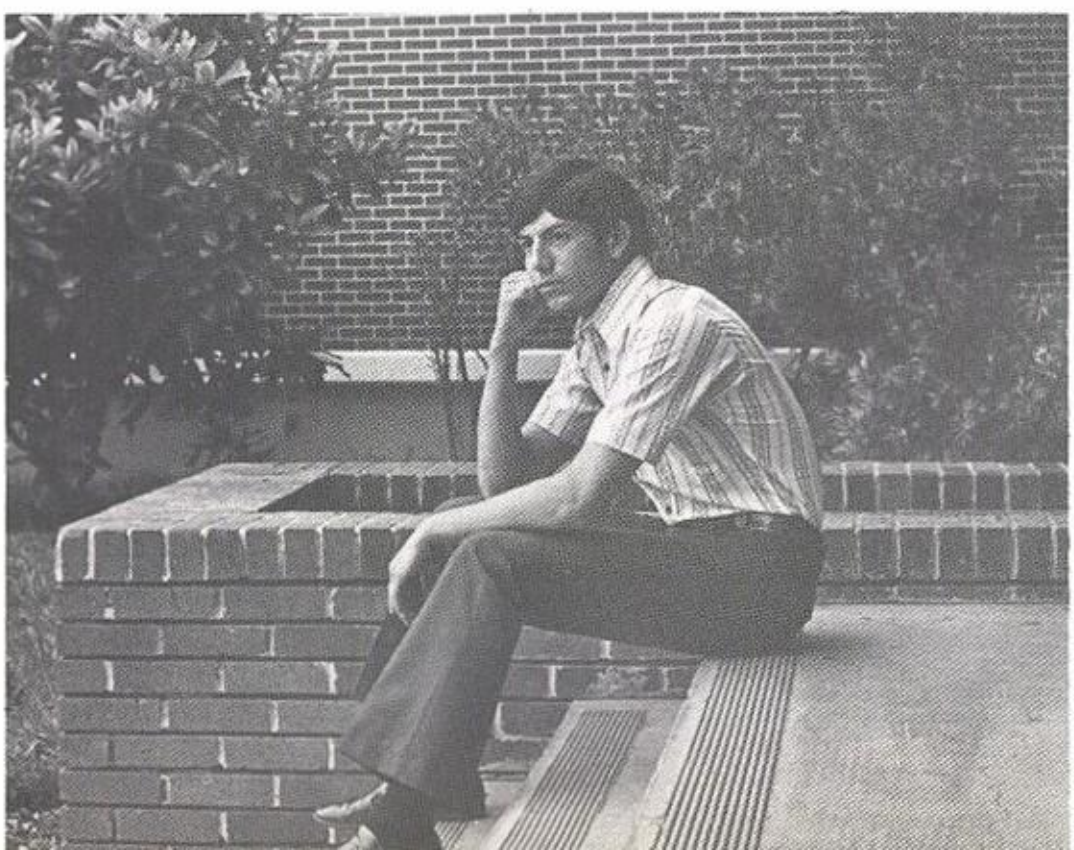
I wonder if you can

No need for greed or hunger

A brotherhood of man

Imagine all the people

Sharing all the world . . .



You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one.

we must sleep one endless night.
